As I was heading back Co Aaren Belanger came from NO were to help. I then had Co Kirrane Remove the Betty belt. At which time I had Sliped and hit the window with the belt buckle Cause the door was Closed about a 1/2 of a inch. But instade of Co Belanger and Kirrane clasen the door and calling for help and the camora which by PPD which states that a camora is to be involved if anything civil or Criminal may come out should be camcorder

On the way back to my Tier (C-Tier - SHU) I seen 11m Ryan Grimes and 11m Anthony Ledoux (Both Prospect Bowl) 11m grimes was by C-Dayroom door and 11m ledoux was walking around D-Dayroom (who went by ACE)

Upon my Arrival at C-Tier's 1st of 2 door's I see 11m Rueben J. Rutter (who went by 10 Speed) Fixing the mop bucket for cleaning (Do to inmate William M. Lost his Job Cause of Cpl Craig Orlando do to the fact he allowed us to get drunk on 11/3/12 - Friday and 11m William M. became he became disruptive and lost his job) 11m Rutter became the worker and not long after he became the worker he assaulted me with piss. But on 11/9/12 well at the 1st of 2 door's I hear 11m grimes Edgen 11m Rutter to attack me. At which time I asked Co Mike Shepley to lock

Allegation 1 cont. Assault by Correctional officers

but instead Co Belanger and Co Kirrane take it upon them selves and Roll in on me.

I Put my hands out to protect my head from smas~~ing~~^{hing} into the corner of the bed or stool. Then Co Kirrane takes the Leather strap and drag's me close to the mattress which was on the floor ~~until~~ until Co Belanger Grabed my Leg's and then they placed me on the mattress.

Co Kirrane held the Leather strap which Perverted me from blocking the Knee's and feet blow to my upper and Lower body. by Co Belanger.

On Sept 24, 2013 I Filed a Complaint w/ Captin Paul S Cascio about the misconduct From the assault on Friday August 16, 2013 by Co Belanger and Kirrane, The Harassment by Co Belanger on Thur august 15, 2013. Denied my lunch by Co Kirrane on August 17 2013 and Sgt Eric Barbaro denying me pictures of the Cuts marks ~~etc~~ etc on my Arms wrist etc from the assault. I also put in this Request that on sept 23, 2013 how he (Captin Cascio) was at a d-Hearing only for security Reasons and had no Right to attempt to discredit my witness Christopher David Lemear another inmate and accuse us of Making false Allegations. I Expressed a number of Criminal Laws. I was written back by Captin Cascio on 10/12 - Any Complaints Received Regarding

staff and Any follow up action is Confidential
Granted by Applicable Personnel Rules. I won't
be ~~be~~ sharing any information with you.

I then Appealed it to Helen Hanks "MR. Beaulieu, Any
Complaints being reviewed will Not Result in a
Report to you as these are Confidential Personnel
Reviews. Perhaps your goal should be to Engage
in treatment for discharge from SPU." Was ms
hanks Reply on 12/3/13 to my Request dated 11/27/13
on 12/20/13 - Christopher Kench Replied For the
Commissioner "We support Director Hanks
response Grievance is denied"

What I see this as them Not taking accountability
for their action which is in ppD 1.1⁷ Agency
Mission. As these two officers still work around me
and are now Causing mental and emotional as I
now have to stay on guard to protect any more assault
"Making me worry they would do it again Cause they
got away with it once they get away with it
again." Perhaps more all the people think of is discharge
there is no room Cause of NH state Hospital patients
and people Misuse the services to get Parole Faster. I've
told them once and again that I would Kill my
Self if I was Discharged. I've needed mental
health Hosp. Since the Age of 8 for suicide attempts
but they are not caring about our threats of suicide

Allegation 2 Cont: Failure to Protect from Assault

Inmate Ruter In The reply I got was stop being a girl. I asked about 5 time and he finnally locked him in.

I was then brought in through the 1st door the second was already open I am locked in and Co Shepley leaves and ilm Ruter is let back out.

Not Even 20 min. Later the door to my cell opens. At this time Inmate Ruter is by Cell 13 on C-Tier. I Start to wave at the bubble and was getting no were.

I then see Co Mike Shepley with Inmate Corey fergul (a(G)) "Gang member" Co Shepley stops at the end of C and D Tier smiles and says something over his Radio that is attached to his vest. Co Shepley stands at the end to wait the bubble does not close my door Co Shepley smiles and walks away knowing that I am at risk. Well Co Shepley stand at the end of the tier Inmate Ruter was getting edged on by Joshua David lyonnias A Inmate in Cell 13 to go in an "bust my shirt" Inmate Ruter keep's Repeating "walk away Shepley" "Keep walking" When Co shepley leaves 5 min (Aprax) I am attacked by inmate Ruter. Then he leaves for 5 more min (Aprax) to give up more stuff for lyonnias to hold and

go and Brag to Ryan Grimes and Mike Addison that he just beat the shit out of me. He comes back again and assaults me again.

I then had my door closed. (Upon information and belief the second attack was done for Ryan Grimes)

Second Shift came on as trying to get the Co's attention on 1st was not successful. Co David Myville was working a double and came to bring me out to the nurse Richard Barttels. (As I was complaining about the nurse not being able to hear me.) I first attempted to say I fell off my bed cause I didn't trust Sgt Shaw or Cpl Orlando. If it was not for Co Myville I would've stuck to it. Myville pulled my winter hat off and looked at my eye and said "Beaulieu your a Crock of Shit" Sgt Shaw water him I am going to check the worker's hands" Co Myville treats me the way I see my self (as a female)

This incident was a total of 9 days after I was pressured to say a PREA was False when I had threats to be murdered and my family if I didn't do as told.

I Appealed this through all Channels and Denied in all. This was held under Review from 1/19/12 - 8/12/12 When Inmate Rutter maxed out. By warden Gerry Lt Michael Dir Forbes and Captain

Cont. from Allegation 3. Due Process

On October 25 2013 Captin Paul S. Cascio wrote to me "I wasn't speaking to you I was speaking to the hearing's officer."

I appealed this through each Chain of Command Helen Hank's Reply on 12/5/13 in Review of your Concern, staff involved have not validated your Statements, Nor has Any other video support"

On 12/20/13 Christopher Kench - Director ~~of~~ Replied for the Commissioner "we support Director Hank's Response Grievance denied"

This Complaint was basied on a D-Report hearing For a 42-A Interfering with • The Search ETC on 9/14/13 written by Captin Cascio. I explained in full detail on my Appeal to Helen Hanks. There was no Statements from the other two Co's who were on the tier (Co John Rose Nor Christopher) I stated that the D-Report is False and even the Captin admittes to talking about me but not to me.

By policy the Reporting officer Can't Read me the Write up that is why Lt Paul Courte-s ne Came up From CCU to read me the write-up. Because of what the Captin Cascio Said interfered and affected the outcome

to my D-Hearing in Violation of my Due
Process. Cause he had no Right to be talking
about me or say anything about this
write up nor the hearing

I got 10 day p-seg susp. over this
and this was denied in all levels

Allegation 4: 8th Amendment - Cruel and unusual Punishment

On August 14 2013. I came back to the Secured Psychiatric unit after being discharged back to the SHU Building

When I came back I was notified that a new memo was out about Property. I didn't know about it from 08/14/13 through 08/21/13 as I was on suicide watch so to my Provider Refused to take me off the watch.

On August 21, 2013 I was taken off that watch and seen the memo. dated 7/2 12013 and Approved the ~~Board~~ ~~Meeting~~ Same day by Commissioner Wrenn but little did we all know Captain Paul S. Cascio was going to take this memo over board. On December 4 2013 Helen Hanks Replied to my Appeal to my Request I wrote Captain Cascio on 11/11/13 to which Captain Cascio wrote "A) I had to eliminate any type of Container Due to Assaults on staff B) 1 2 and 3 NO" I wrote to him Cause of the fact we (I speak for my self) had NO Deoderant NO soap This Reply to Letter A) I had to eliminate any type of Container Due to assaults on staff is a Lye and by Law is perjury (Per RSA 641:1) Because ① He also took Bars of soap ② I overheard him say to a Patient that he Removed it Cause of Contraband ③

• Peanut Butter is in a container and that was let on the Canteen.

I Appealed this through all Chain of Command on 12/19/13 "you are in a Psychiatric facilities these behaviors are common. Work on treatment for discharge so you will not be so frequently exposed to these Challenging behaviors".

I see this Reply as telling me to deal with being subjected to Constitutional violations

On 12/20/13 Christopher Kensh Denied my Grievance.

This was so much of a problem do to the fact we had to smell unhuman like our Body odor was bad for alot of us to include and mainly Speaking For my self I Close to not work out because of the Lack of soap Shampoo and Deodorant and Cause the Captin want to tell two Story's to this Container thing

Allegation 5: unClean living

On November 17 2013, I wrote to My unit Captin Paul S. Cascio

I made a Complaint against Patient Mike Philips who was our ~~for~~^{ter} worker.

This Complaint was Expressing what was happening and how MR. Philips is getting paid and is to Busy Sleeping watching TV or other things (Per unit staff MR. Philips has brain damage)

I stated in my Complaint that we should be and are allowed to Clean 7 days a week and have Toilet Brush's Brooms Disinfectants Rags Clean water but we (I speak for my self) dont always have this stuff.

And expressed my concerns about how MR Philips is not working and Making Complaints that he doesnt feel good but he feel ok to watch TV but feel not good to Clean our Tier which by policy is "Refusing to work"

This Complaint was done because of the unClean DIRTy Shower' dayroom and Tier and lack of Clean Supply's

on 11/25/13 Captin Cascio Reply I cant Discuss Another's treatment with you.

What I find about this he may not or can not discuss another's treatment with me but other officer's have told us (I am one of many inmates that was told about MR. Philips problem with haven brain damage which should be not told under the HIPAA but was.)

I appealed this to Helen Hanks, Director in Dec. 2013 She tell's me "See Cpt. Cascio's Response dated 11/25/13. I then Appeal it to Commissioner Wrenn on 12/9/13 which I get a Reply on 12/20/13 "Your rights are not being violated, Grievance is Denied"

I know that this was/is against my Constitutional Right and therefor got sick of living in a cell that was left Dirty because of a worker who never likes to work.

Allegation 6: Excess noise and interference with sleep.

On Nov. 17, 2013 I wrote a Long Complaint that was involven Patent Thomas J. Bruke. I expressed that I understand that some are not ok in the head. That it is Not a Reason to give Captin Cascio or his Staff to allow it. And IF NH Hosp Can't handle their patents they then should be shut down

I went on to Express I have been in Cell 10 on E-ward for awhile. I had another patent Randall Every next me and Inmate Chris Lemear in 8

I also stated "When CO Ed Kirrane and Mike Dobe moved ilm Lemear to F-Ward they moved MR Every to 8 and moved MR. Burke to 9."

At the time this happended there was alot of Cells open that there was no need to move MR Burke From 5 to 9 next me. We are subjected to at 4:30 Every morning to Screaming and yelling. We are all not ok in the head we are all mentally ~~ill~~ ^{ill}. ME and MR Lemear have been Subjected to discrimination Harrassment threats and Accused of Crimes falsly by CO Kirrane and Belanger but this is about me and My welbeing (ETC ETC.

on 11/25/13 Captin Cascio Reply's I Can not Discuss Another's +reatment with you

On 12/9/13 Ms. Hanks Reply's see Previous grievance to which I wrote her on 12/4/13

On 12/20/13 Director Christopher Kersh Reply's For the Commissioner "We understand the complexity of housing in a psychiatric unit and trust that the staff house as necessary Grievance is denied

A few day before I wrote the Captin I was told by CO Toni Keene that the Doctor handlen MR. Burke took him of all meds. That Right there is violating MR. Burkes Privacy Right's. But no matter were or what when questioned about it they would lie then get lose their job over ~~that~~ something against the law

Allegation 7: Eighth Amendment - Cruel and unusual

on Oct. 13 2013 I wrote to Captin Paul S. Cascio
 "I am writing to you on the Above date
 involven a Matter that the Constitutional
 Standards as "Basic needs"

Each day at lease a I/m are subjected to

① Cold Showers	④ NO socks
② NO Shampoo	⑤ NO towels
③ NO toothpaste or tooth Brush	⑥ Soap (I ment to write no soap)

We are being forced do to your Conduct over 7/16
 13's Notice ETC

Captin wrote on 10/24/13 ① A work order was
 submitted ② we Provide Shampoo ③ we Provide these
 Itams ④ we order socks but don't Receive them
 then Inmates Destroy them or Flush them Down
 the Toilet ⑤ we Provide Refer to # 4 ⑥ we Provide
 Soap.

I Appeal this to Helen Hanks 12/3/13 she reply to
 my Appeal dated 11/24/13 "MR. Beaulieu your are
 in a PsyChiatric Facility with different
 Rules about access through Canteen. we provide
 Items for hygiene Captin Cascio's Response
 is Appropriate". On 12/18/13 I appealed it to
 the Commissioner on 12/20/13 Director Kench
 Replys "we support Director Hanks Response to

your Grievance is denied"

In ms Hank's Reply she wrote "you are in a psychiatric facility with different Rules about access through Canteen"

Our Canteen we could get Soap, Shampoo, Deodorant, Lotion etc until 7/1/2013. I was in the Secured Psychiatric unit From January 22 2013 through July 15, 2013 and in that time Coffee Soda etc plus Shampoo Soap Deodorant was Accessable through Canteen until July 26, 2013 When Captin Cascio wrote a memo about Property and didn't obey what Commissioner Wrenn signed off on

Allegation 8: Due Process at a D-Hearing

On September 6 2013 Sgt Ken Brown wrote me up for a 68 B (misuse of Phone).

I was found guilty on 10/10/2013 By Hearing Officer L.J. Barton

I stated in my 1st step to Appealing the Findin g. "I was found guilty do to the usal reason w/ MR Barton H.o "staff are sworn in your convicted in Your testimony does not way much. This write up does not state I used another's 11m's Pin such as Case # 13-14-02235, 02234 02236 and 02237 written by Captin Cascio alledgen I used a 11m's pin which was not mine"

The Appeal Dated 10/11/13 and was Answered 11/4/13 by Captin Cascio stated a number of things from federal and state Laws ~~Constitutional~~ Constitutional Rights

on 11/04/13 According to PPD 5.25 "Appeals We be limited to errors of Law and proced ures or alleging excessive sanctions imposed your Appeal does not Address Eather of these Appeal Denied you may Appeal my Denial to the Director of medical and forensic service"

On 12/05/13 ms hanks Replys to my Appeal dated 11/21/13 MR. Beaulieu, I have not been

provided evidence to over turn this D-Report

on 12/18/13 I appeal it to the Commissioner
on 12/20/13 Chris Kench Reply's "Your
~~go~~ due process was provided. Grievance is
Denied

The same problem is always happen that
will never take any Accountability For their
misconduct ETC. Which is part of PPD 1.17
they dont Care at all about us because
When they do wrong the money dont come
out their pay Checks. This d-Report is also
the same thing they write false D-~~Reports~~^{Reports}
and punish us For Fun Cause they got
nothing better to do.

Captin Casero's Reply "Errors of Law" I
did state For Law's RSA 641:1 (perjury) 18 USC
241 (Conspiracy against Rights) and 18 USC 242
(deprivation of ^{Rights} ~~rights~~ under Color of Law)

So he must not be ~~be~~ looking in to my Claims
and is just ~~be~~ writing false statements
on Request that is a violation of RSA 641:1
also.

Allegation 9 : 8th Amendment / ~~the~~ Clothing Issue, NH
 RSA 641:1 (Perjury)

On 3/2/14 - I wrote to Captin Paul S. Casco on the issue of Removing the shirts off of our issued Clothing. This was without a memo.

I wrote him do to hearing this problem through Correctional officers and inmates I questioned him weather or not he was going to take off T-shirts expressed my concerns over this issue and that with this of how unconstitutional

On 3/3/14 Captin Paul S. Casco wrote on a Inmate Request "We're no longer issuing the T-Shirt. you can by your own.

I appealed it to Helen Hanks on 5/5/14 a second time as I first sent it on 3/9/2014 but it came MIA on 5/12/14 Kevin Stevenson, ms wrote me back on my grievance "Thank you for expressing your concerns. There is no Constitutional issue in this case. You may purchase a T-shirt via the Appropriate Supplier.

I then Appealed it to the commissioner on 5/12/14 to which Chris Kench Replied "we support Director Stevenson's Response Grievance is denied"

I just taked to the Captin Paul S. Casco on 5/30/14 and he said that t-shirts were

going to be put back on. Therefore he committed a perjury by make a false statement that could and would've been use • in a procedure/proceeding. also this is a Constitutional question as if • I were to by my own t-shirts I would have to stop all legal Paperwork/filings, Stop all contact w/ the outside world, Stop Contact with Lawyers. Stop alot to Save my State^{pay} which is about \$12.00 a month

Allegation ID : interfering with access to Court:

On May 4 2014 I wrote Captin Paul S. Cascio a reminder about my Request about my Request about my property that ~~he~~^{we} had talked about on Friday. That you were going to talk to Co Dionne about trying to get time for me to go through my property.

I wrote him cause he had me send it out by pressure. All of my Request and grievance are in my Property which is Perventing me from filing any Civil action as I dont remember all of my Grievances nor which ones I did or didnt do. Now MR. Cascio wants me to send out again. I've never had a problem with my property until Captin Cascio made up a memo.

I beleave that the Request and grievances are a requirement under the Prison litiigation Reform act of 1996. I Cant file a lawsuite with out having my documents to file a legal Lawsuite that doesnt violate any Laws Rules etc.

I Shouldn't have to file Requests and Pay for documents I already have

I had got a Reply from Kevin R. Stevenson on 5/12/14

"There is no retaliation. You were given the opportunity to go through the materials prior to sending them out previously. Now that they have returned you simply need to fill out the five day notice to send them out to someone who will keep them for you."

It was denied all the way through the Chain of Command

the Commissioner denied it on 1/14 I know it is Retaliation Cause on 5/2/14 Captin Cascio gives me the ok. Then on 5/4/14 I write him a Reminder about going through my property then when I tell my Team that I am trying to press Charges on Captin Cascio from writing a false O-Report then Captin Cascio denies me access to my Request Slips and grievances to file a law Suite. on top of it they now want me to be discharged from SPU

Allegation 11: Serious medical need (8th Amendment) NH RSA 630:4

On Feb. 11, 2014 I re-wrote a Complaint to Barbara T. Slayton a LICSW (Licensed Social Worker) on a Request Slip stating a full issue of the fact of the SPU/RTU staff ignoring threats of suicide or taunting us to kill ourselves.

I wrote ms slayton after I was taken from my property and still unable to get her to reply so on 2/6/14 I wrote her stating that I did some research and believed that her Captain Paul S. Cascio APRN Emily Bryant and APRN Cathy Fontain was not only a violation of a state law but federal.

SPU/RTU staff are out of control. They don't take our threats to kill ourselves serious. I've witnessed another co taunt another inmate to kill themselves. But with this and me I've told them I was going to kill myself if they sent me back to SHU. On July 15 2013 when they discharged me to SHU they (APRN Bryant and APRN Fontain, and LICSW Slayton) did nothing as I repeated myself that I will kill myself when I get to SHU.

Captain Paul Cascio keep telling me to tell them when I get over there. Finally he got Pist and called his officer in to the Treatment room and told them to send me to SHU.

I've gotten through all Chains of Command

I was told by ms Slayton "You Can certainly address any 8th amendment issues in court."

Her Supervisor Kevin R. Stevenson wrote back denien all my Requested Relief.

On 1 /2014 - Deputy Director denied my grievance

And on 1 /2014 the Commissioner denied it also staten "

Allegation 12 : Failure to Protect

on March 9, 2014⁴ I wrote to Captin Paul S. Casco about Inmate Scott Collier #74484 to who is now on parole and Correctional officers did nothing

on March 9, 2014 I wrote to Mr Paul Casco about issues that happend on number of days

This was involven also a number of issues to include assault (w/ a fire hose that is used to clean the shower) Harassment and officers telling other inmates to include I/m Collier security information.

On my Request and grievances I stated two many officers to whom cant keep security information between officers. And not officers and inmates. That the two officers were Co John Aulis and COSA/ice.

The fact of these assaults that happend were with Co Kum working when the first two times a officer was not present the other times were when Co Kum was eating.

These were not ACCidentally done I/m Collier Shouldve lost his Cleaning Job and put on ATC but was'nt nor was he written up for it.

The other issues that I had rased on two different Request and grievances but

both involven I/m Scott Collier was mishandled and as a sex offender (wrongly accused) was being allowed to be harassed have my safety put at risk. Cause of I/m Collier putting investigative information that he had learned from SHU staff as a Retunda worker.

My grievance at Helen Hanks was Denied on 1/1/2014 and Commissioner on 1/1/2014 was Denied

Allegation 13 : Opening legal mail outside of my presents.

On 03/06/14 I had filed a Complaint with Captin Paul S. Cascio

On 3/5/14 Captin Cascio had brought me a packet from American Civil liberties union at the time he had brought it to me

When Captin Paul Cascio had brought me this he said "I dont know why" this says Attorney-Client Privledge Cause it is not and we opened it.

I wrote to the Captin and then appealed it throug all Chain of Command

On 5/11/14 Kevin Stevenson Remarked and I was'nt happy with his Reply so I Appealed it to the Commissioner Which Denied it on 5/14/14
